Window Insulation Specialist

Get rid of the Window Woes!

## ENERGY SAVING TIMES

FALL 2005

### LET YOUR WINDOWS BE WINDOWS!

With the demand for new lighter, more efficient films, Tint Man works with his many suppliers to offer new films. There are several new types of Window Insulation available for residential, as well as, commercial applications. Tint Man offers a broad choice of film colors, as well as, natural tones, which are practically invisible. Are your furnishings, carpets or draperies fading from the sun? The same sun that enhances a home's interior can be the death of fabrics, furnishings, artwork, hardwood floors and rugs. Tint Man carries SUNSCAPE SERIES by Madico, one of the nation's largest film manufacturers. This will screen out up to 99% of damaging ultra-violet rays. Every SUNSCAPE film affords a clear view to the outside. Depending on the degree of privacy desired, you can select films that prevent others from looking in during the daytime. **Don't close your blinds or curtains...allow your beautiful windows to be beautiful windows...Call Tint Man today! 1-888-TINT MAN. (SEE OUR FADING INFO ON REVERSE)**

### SAFETY FIRST?

Does your family or your business share your concern for the safety of your family or your employees? How about concern for the potential injury in the event of glass breakage? Let Tint Man reassure you that your safety and peace of mind is important to us. Tint Man can install in your residence or business safety and security film, which will not only reduce the risk of theft and avoid injury, but it's affordable and enhances the appearance of the building. In addition to increased safety and improved appearance, the utility savings are a welcomed and unexpected bonus. Free Estimates!

### FRANCHISE TERRITORIES AVAILABLE

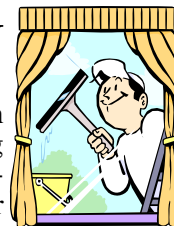

**June 2005, Tint Man becomes a franchise!** Tint Man has an exciting opportunity for individuals who are ready to excel in the world of business ownership. No experience is necessary! Our comprehensive training program and ongoing support will have you tinting in no time. Check out our website at [www.tintman.com](http://www.tintman.com) for more details and to secure your Tint Man territory today!

### PREPARING YOUR HOME OR OFFICE FOR THE WINTER

Did you know the rays of the sun become stronger in the winter? It's true! The sun is lower during the winter months, which allow for the sun's rays to stream into your windows further. Tint Man can take care of any concerns you may have about damage to your residential or commercial interiors. All of our window films are professional grade and are designed to insulate your windows in the winter. Fading and glare reduction are only a part of the benefits of tinting your windows, the bonus is saving on energy costs of your heating bills too!

### SPARKLING WINDOWS

Did you know Tint Man is a window washing specialist? Interior, exterior, residential or commercial...If you love your view, but can't see it clearly because of pesky dirt and smudges built up over the years. If you want to clean those windows, but feel uncomfortable on a ladder. If you want to enjoy the beauty of those architecturally exquisite windows that you fell in love with, but they're no longer crystal clear like they once were... Well, give Tint Man a call. He knows exactly how you feel, and will take care of those windows for you. He will make your windows look virtually brand new! Don't forget the office too!

**QUALITY & CUSTOMER SATISFACTION ARE ALWAYS #1 CALL TODAY**

### MANY THANKS!

Throughout the years we have learned that dedication and hard work has many rewards, and the biggest reward of all is the customer loyalty that Tint Man has come to value. On a personal note, I would like to thank all of our past, current and future customers for all your referrals. Over 50% of our work comes from these referrals. Our client relationship means everything to myself and my team and without you, Tint Man would not have grown into the successful company it is today. Have a happy, healthy and safe 2006!
